It's Here!

The CCS Chicken BBQ and Auction weekend is here!

You can still check our BBQ/Auction page for updated information and the schedule for the day at conestogachristian.net/auction2020.

TODAY:

All Chicken BBQ is Take-Out ONLY! Please see the most recent email from Mr. Parris for a parking lot map which shows you where to pull in during school dismissal time (2:30-3:00).

Our Online Auction is now open through October 29. Many of the items you have come to love at our in-person auction are now found HERE!

SATURDAY:

Consider joining us for our **LIVE Outdoor Auction from 9-11 AM**, outside under the tent on our rear parking lot.

Please look through the auction booklet that your student (hopefully) brought home on Wednesday to see details on the fantastic items that are available. The

ever popular Class Baskets begin at 9:30, and if you have been in the high school building in the past week and seen them, you know that they are once again spectacular! Calling them "baskets" is such an understatement. All details are in the Auction Booklet that was sent home. In addition you can bid on the John Deere lawn tractor, the VW Jetta, homemade jams, quilts, artwork, parent parking spots, and more! And don't forget about the CCS Special Project!

Also on Saturday, though we will **not** have a full "Food Tent," we will have coffee and pastries available at the Cougar Den adjacent to the back parking lot. Please bring cash or check to purchase your goodies at the "Cougar Den."

THANK YOU to all of our volunteers who have worked diligently to make our BBQ/Auction a success! You are all

It's Auction Weekend!

so important and appreciated for giving of your time during these unusual circumstances. We are praising God for His faithfulness through you!

YARD SIGNS: We do recycle our BBQ yard signs. Please return them to the main lobby foyer.

Wellness Team Cookbook

Hello again from our CCS Wellness Team!

The CCS Wellness Team is presenting its first ever community-wide cookbook! We are looking for families to contribute their favorite recipes using this link: createmycookbook.com/groups/rvcRpPuJx

Enter as many recipes as you would like! The cookbooks will then be put together by your Wellness Team and sold to raise funds to help improve our wellness program at CCS. Attached to the newsletter email is the digital information sheet; we are sending physical copies home to families as well!

Our Instagram page, @ccs_wellnessteam, will highlight our class, let you know about events that we produce, and give insights into what we're working on.

Hoagie Fundraiser Lunches...

to benefit TSA students

If you missed out on a hoagie last

Wednesday, do not worry! There will be more hoagie lunches in the near future (Oct. 20, Nov. 3, and Nov. 17)! Keep an eye out for order forms arriving with students on Tuesday the week before each sale. Hoagies are \$5.00 and hoagie lunches (hoagie, brownie, and a bag of chips) are \$7.00.

These lunches support the Technology Student Association (TSA). TSA is a group that promotes leadership while working in many engineering aspects of life and then competes with what they have created, designed, or even invented. A few of the many events are video game design, dragster design, structural engineering, forensics, photography, and electronic research and development.

Students from CCS have excelled in past TSA competitions, and those involved will attest to the value of what they have learned through the program.

Financial News

The CCS Financial Statements for the Years Ended June 30, 2020 and 2019, as well as a summary of the 2020/2021 budget, are available for your review in the FACTS Family Portal. They are both under the Resource Documents tab. Please feel free to contact Mark Detwiler with any questions you may have.

🎵 Dates to Save

Our Fine Arts Department wants you to mark your calendars for two events in December.
