Date Change for Elementary Special Night!

Because of the Nor'easter this week and the fact that multiple districts had a delay on Thursday, the elementary "Night of Delight" Open House and the elementary musical *Rescue in the Night* have been postponed to Friday, March 23. So, the lions, Daniel, King Darius, and the others will have a little longer to prepare! March 23 was actually the original date for this special event, so please make a note of it.

PSAT Reminder

We want to remind you that although the printed school calendar says that PSAT testing for grades 9 and 10 is next Wednesday, it has been changed to Thursday, April 26. This information was given in an earlier edition of the *Update*, but now that you have turned the page on your CCS calendar to March, we thought it would be a good time to clarify that change.

Spring Sports

The spring athletics season has officially begun, and the weather has created some issues with being outside for practices. If you are con-

nected to one of our spring sports teams, it is important that you be flexible as practice times and locations can and will change. Please click [HERE](#) to go to the athletic calendar.

New Driver's License?

We know how exciting it is when students get their driver's license and can finally drive themselves to school! HOWEVER, it is not time yet to request a parking spot for next year! We will welcome parking requests for next year beginning **June 1, 2018**, but no sooner. If you submit a request to Mrs. Gardner now, she will return it to you.

"Quarter Wars"

Our Middle School Student Council will be sponsoring this year's "Quarter Wars." Beginning on Monday, March 12, students may use quarters or bills of various denominations to **vote for the teacher they want to see compete in a lip sync battle!** Voting will be held in the mornings on Monday, Wednesday, and Friday for the next two weeks! Students of any age may vote by putting their money in the appropriate bucket. The proceeds go to the Middle School Student Council. At the end of the voting period, the top two teachers with the most votes will have the honor of competing at an all-school pep rally in April for the very treasured Quarter Wars Trophy — and bragging rights, of course. ;)

March Madness

Last week our middle school students traveled to the Franklin Institute in Philadelphia for the first of three "March Madness" days. They were able to see the Chinese Terracotta Warriors and do some amazing hands-on activities. We have a great middle school team who makes learning fun!

Trimester Ended

Today marks the end of the second trimester! Middle school and high school students may be starting some new electives on Monday. Report cards will be sent home on Wednesday, March 21.

Grandparents Day

Grandparents Day is slated for Friday, April 13, this year. Invitations were sent to grandparents this week. Please check with yours to be sure they got the invite. **You can sign up** to help on this special day. You can help by donating food or being here the day of the event. Click to sign up:
