Tonight! >>>>> "Sinners to Saints"

You won't want to miss the drama presentation tonight (November 9) in the CCS gym. Our *Living Stones* drama team offers a touching, Christ-centered production which illustrates the grace and mercy of God. The original script, written by Mrs. Hertzler, has been known to move audiences to tears with the truth of God's love. Come out at 7 PM. You will be glad you did.

Jesus said...

Ninth and tenth grade Bible students have been investigating the words of Jesus in John 6. There are some bold declarations made, and the students

have chosen some key concepts to illustrate. Visualization aids in enhancing understanding. Posters are hanging in the high school hallway.

Traffic Reminder

If you drop off or pick up your children at school, remember that the school zone speed limit is 15 MPH. There is no reminder of that limit **when you pull out** of the parking lot, *but it is still in effect!*

The first and second graders headed to Jonathan Hertzler's family farm yesterday for a full day of learning about dairy farming, experimenting with cheese making (they made mozzarella cheese), and just having a great time! Pictures are on Facebook!

Learning a Life of Service

This week's chapel included all of our students as Mr. Greenly shared the service projects we will be doing over the next few weeks.

Ask your students about the orphanage in Kenya, moms and babies in Chester County, and the toy drive for the Twin Valley Food Pantry. Check your email for details from Mr. Greenly that were sent out earlier this week with the subject line "All School Missions Chapel."

Auction Sign Hiding at Your House?

If you still have one of our lawn signs from the auction, could you please return it? We are missing about HALF of the signs!
