Changes - A Word from Mr. Parris

Field trips for the month of April have been canceled, as well as achievement tests and the PSAT for grades 9 & 10. While we moved the elementary musical from March to April 24, we have not canceled it . . . yet, but we might have to ☹️. Senior presentations have been moved from April to May 12. The Jr/Sr Banquet has been moved to May 22. The Administrative Team is praying through what to do for our Race for Education and the spring musical; more information about those 2 major events will come out after Easter. As always, feel free to contact Mr. Parris with any questions.

Grandparents Day

Today would have been Grandparents Day, and we are all missing the energy and love that fill our campus each year when the grandparents join us. Many of our students have reached out to their grandparents in a different way this year.

Dear mommom,
today would of been
grandparents day at school but
I just want to say how much I
love you and hope you day is
going great. Love you 😘 xoxo!

For example, the Middle School students in Mrs. Houck's language arts classes were assigned the task of writing to their grandparents. She says, "Seeing their messages made me smile and gave me some joy during this crazy time, so I am sure that the grandparents who received them were delighted too ☺️."

The CCS Administrative Team also got in on the fun and created a video for our grandparents. You can see the video and share it with

Deuteronomy 7:9:

"Know therefore that the LORD your God, He is God, the faithful God, who keeps His covenant and His lovingkindness to a thousandth generation with those who love Him and keep His commandments."

Continuous Enrollment

We care about our families! Administration is extending the Continuous Enrollment deadline to May 1. Please contact Michelle Parris in the Admissions Office by May 1 if your student will not be attending CCS for the 2020-21 school year.

Congratulations Are in Order

We think we missed making this announcement. Four Conestoga Christian athletes were named to the CCAC East All-Conference Basketball Team based on their performance this winter. Congratulations to Dylan Greenly, Montana Schwinn, Collin Weaver, and Conrad Yoder for being selected to this group. CCS coaches nominated athletes, and the teams were selected by all of the coaches in the CCAC Eastern Division.

STUCO T-shirt Sale

Our middle school student council is still working on a T-shirt sale. All profits will be donated to Twin Valley Food Pantry to help support the community, and especially those in need, during this unprecedented situation. **The T-shirt will have the theme of being united during this tough time!**

Stay tuned for more details. ☺️

Yearbooks

Even though we are not physically in school, the yearbook staff and students are moving forward with the CCS yearbook. It's not too late to order.

While we are not meeting at CCS, order forms and payments can be completed and placed in the box outside the main entrance of the high school building or mailed to the school, Attn: Yearbook. Orders are due by May 1.

Yearbook dedications can be submitted with the orders. If you have any questions about the yearbook, please contact Mr. Everhart at john.everhart@conestogachristian.net.

Tuition Assistance

Mr. Detwiler would like you to know that Round 1 Tuition Assistance determinations have been postponed until mid-April. If you have any questions regarding tuition assistance, you may contact him directly.

Praise Corner!

Mr. Parris is praising God for how our teachers are coming together in unity as they develop online plans for distance learning. He is praising God for their collective efforts.

Mrs. Horning is thankful and offers a "Shout out to 11/12 World-view and Intro to Bible! The students' cheery dispositions are a huge encouragement to me!"

Our God never fails.
Let us not forget to praise Him!
